**P***ole pole ndiyo mwendo.* "Slowly, slowly is the way we go." For the Tanzania people, life is about relationships and being with people. Maryknoll Lay Missioners (MKLM) invites you to meet and spend time with the local people in the beautiful diverse Mwanza and the Serengeti region.

Tanzania is most known for the Serengeti, Ngorongoro Crater, Kilimanjaro, and Zanzibar; for great beauty, picturesque scenery, and abundance of wildlife. We'll experience some of that but our missionaries experience Tanzania along with its people, with whom we will walk in our experience there.

Tanzania is one of the oldest known human-inhabited areas on Earth; fossil

*Expand Your Horizons!*

We know that humanity's first footsteps were taken in East Africa and since then the people of this region have navigated a long, rich, often arduous road. Mwanza in Tanzania will serve as our home base. MKLM missionaries will be our hosts and will guide us thru the varied cultures and traditions that make up the rich tapestry that is the Tanzanian culture.
